Join Us!

We are looking for major Architectural and Engineering companies to meet and discuss upcoming opportunities one-on-one with small, certified, minority-owned, woman-owned, veteran-owned, and disadvantaged Architectural & Engineering Subconsultants interested in performing on public sector projects.

Show Your Support

This will be a great opportunity to meet and exchange information with talented specialty firms and to support your company, your projects, and Public Agencies in meeting inclusion and diversity goals.

Your Firm Gets...

- Table with Linen & two chairs
- Bring your own table linen with your Company Name & Logo if you have one.
- Table tent cards with your firm name on them.
- A listing of pre-scheduled interviews for your session
